

**50 YEARS**

## Celebrating 50

2/20/1955—2/20/2005

Like the fairy tale end “happily ever after”  
You’ve shared good and bad and lots of  
laughter

Four girls, even twins and finally a boy  
Five college tuitions were hardly a joy  
So how should we celebrate this  
special day?

A surprise family gathering is well underway!

We’ve cleared all the calendars  
and set up the date

The kids and grandkids can hardly wait  
Helen and Dwight said yes right away  
To the Mission Inn we’ll all go  
to see Susan and Ray !

Twenty of us will be all together  
The third weekend in May.. No matter the  
weather

We’ll eat, drink and laugh, it will be such fun  
Some will golf, some will shop,  
some will just catch the sun..

We will orchestrate your Christmas card pic  
The kids, grandkids, Marie and Dick  
So get yourself ready to have a ball  
A memory to cherish for one and all!
