"WE PLAY BY OUR OWN RULES"

## **RD Field Hockey Booster Club Funds At Work**

*All monies collected and raised by the RD Field Hockey Booster Club go directly back into the program and to the players. Many programs focus primarily on the varsity teams, but we attempt to include all players in our efforts and give special recognition to our senior players. In 2005 we were proud of the many projects that our Booster Club sponsored to benefit our teams, they included:*

- **Purchased 5 gallon Thermos Water Coolers for each squad**
- **Purchased additional new goalie bag**
- **Purchased individual water bottles for each player**
- **Hosted and provided entrée for Family/Team Kick Off Dinner**
- **Gifted each player with their own practice tee-shirt, bumper stickers and spirit buttons**
- **Hosted refreshments and festivities for Senior Day, including senior gifts**
- **Organized first ever Varsity Squad County Tournament Spirit Week**
- **Held first ever "Field Hockey Tailgate Brunch" at the High School on 11/3 for all squads. Our tailgate party included food, drinks, games & gifts for every player.**
- **Hosted each player at Season End Annual Awards Dinner**
- **Presented each senior with an enlarged action photograph**
- **Presented "End of Season" gifts to each team member and coach.**
