

## **HAPPY BIRTHDAY DAD!**

February 11<sup>th</sup> comes but once a year  
To celebrate your 79<sup>th</sup>... we'll all be here  
We're driving in from far and near  
To share with you some birthday cheer!  
A birthday bash we've planned for you  
All of us, Jim and Janice too!

At McCormick and Schmidt's we'll all gather to dine  
Of course it wouldn't be a party without some wine  
We're expecting you to prepare to grand TOAST  
About your great life, famous friends and family  
you can BOAST~!

So plan away in the next week or two  
We are expecting an awesome speech from you  
We have prepared some fun and a game  
"Who Knows Dick Best" is it's name  
Lottery prizes of course will abound  
But the best will be having all gather round.  
So we'll join all together and have some fun  
We're celebrating you, Dad
