

# Hola Ricardo... Feliz Navidad

Senor Santa left a gift to make you glad  
 South of the Border his elves did say  
 Ricardo wants to head down Mexico way  
 With all his amigos he wants to fiesta  
 In a beautiful villa make merry and siesta  
 How could Ricardo afford such travel?  
 Especially with a bank account that has begun to  
 unravel

AH HA! It's Senor Santa here with a plan  
 Just like your grandpa...he is one great man!  
 He has left you the pesos you need to complete  
 This wonderful spring break vacation treat!  
 Relax and think forward to margaritas in the sun  
 At your own private pool.. just imagine such fun!  
 A butler, a chauffeur, a maid and a cook  
 They are all included says Santa's tour book.  
 I can tan, swim and party.. **JUST BE A GOOD BOY**  
 To Acapulco you're off.. Be safe and enjoy!
