

Mickey and Carol's 25th Wedding Anniversary

If you are receiving this letter, it means that at some point over the last 25 years you have been a part of our parents lives. This September is their 25th wedding anniversary! We have decided to make them a memory book that celebrates their 25 years of marriage. This is where you come in! In order to have all of their friends and family represented in our gift we need your help.

We are asking that you take a moment and write our parents a letter. The letter could be a congratulations, a story, a memory or anything else that you can think of that will bring a smile to their faces. Maybe you knew them when they first met and have a story to tell. Maybe you come to all their parties and can write about a fun time or funny memory. Maybe you went on vacation with us or just did something together that would be worth remembering. If you have copies of pictures that can be enclosed that would be great too~ We don't care about how short or creative these notes are, we just want to make sure that everyone they love is included. Enclosed is a stamped, self-addressed envelope so that once you are done you can send it back to us. You could also email us your note.

We would like to have these letters back by August 8th. Once we collect them all, we will compile them into a scrapbook with letters from all four of us and give it to them before we go back to college. Marriages are strengthened by the memories and friends that are made along the way. If you know anything about Carol and Mickey you know that friendships are everything to them!

Thank you for your time in making our parents celebration even more special. If you have any questions, please feel free to email us. We have attached our addresses.
