

*We have a request we're hoping you'll do
We'd be so grateful to each of you
Since our bride will arrive with just 1 suitcase
Sending her gift straight home would put a smile
on her face*

*Place a picture of your gift into this frame
Please wrap it up and sign your name
We'll open it up for all to see
As we celebrate with our Bride to Be*

*We have a request we're hoping you'll do
