

# Famous Sweethearts

Guess the famous

sweethearts based on

three clues!

# Famous Sweethearts Directions

1. You need an emcee (that person does not play the game)
2. Divide the group into two teams and flip coin to determine who goes first
3. Objective—guess the famous sweethearts with the fewest number of clues
4. Emcee reads first clue to first team up. If they can't guess or guess wrong, Emcee reads second clue, again no winning guess, Emcee reads third clue—no winning guess the question goes to the opposing team and they get a fourth clue. NOTE: Teams must agree and offer 1 team answer per clue read.
5. Scoring—Guess correct on one clue = 4 pts, Guess correct on two clues = 3 pts., Guess correct on one clue = 2 points , Opposing team guesses on 4 clues = 2 points
6. After each time has had 10 sets of clues to guess, tally scores and highest point team wins! Tie breaker included
